

THE SET YOURSELF FREE PROGRAM

MODULE ONE

BREAKING THE FAMILY TRANCE

Breaking the Family Trance will help you unlock unconscious psychological defences that keep you stuck. These defences arise from family of origin dynamics created in your formative years. This program covers the roles you took on; the 'family rules' (spoken or unspoken), and the unmet childhood needs, carried feelings and adopted negative beliefs about yourself and the world around you.

Albeit our defences served us well when we were younger- as adults they don't! Adult defences result in creating destructive habits and sabotaging behaviours causing you to recycle the same unfulfilling circumstances and relationships in your life. This is not your fault, as a child perhaps you didn't have a choice, but as an adult you do!

Are you ready to close the door on the past and create the life you want to live!

HOW DO YOU KNOW IF YOU NEED TO SET YOURSELF FREE?

- Do you struggle to meet your own needs and wants, placing friends and family first
- Are you overly responsible at work?
- Do others see you as 'the problem'?
- Do you feel uncomfortable asking others for help?
- Are you 'the one' who listens to others download their problems?
- Are you tired of being invisible?
- Do you find yourself feeling compelled to distract others, or use humour to ease emotional tension?

*Are you tired of searching for what you want TO DO in order to feel happy and satisfied?
Perhaps it's now time to think about what you can UNDO!*
